Tuesday 5th September 2023

Dear Parents/Carers and other Stakeholders of Burstow Park School,

Re: Welcome Back - 2023/2024 academic year

It is my pleasure to welcome you and our returning students back to another great year at Burstow Park School. It is an equal pleasure of mine, to welcome all our new students along with their parents/Carers to our school. As a team at Burstow Park, we are all thrilled to open our school doors once again to all students. We are excited to have students back in our classrooms and around the school premises, and we look forward to guiding their youthful drive and enthusiasm towards purposeful learning. We are particularly delighted to welcome all our Blended Learning Pathway students, parents and carers, as we welcome them to our new Blended Learning Centre in Redhill.

In welcoming your child/young person into school for this academic year, one of my biggest aims is to help every student to feel connected to this school with a strong sense of belongingness. Indeed, we intend to help each student to feel part of our Burstow Park School Community. In addition, we aim to academically prepare every student for their future lives, by ensuring that they develop their knowledge and abilities, in readiness for college, employment and/or adult life.

We have a very strong team of suitably qualified and experienced teachers and teaching/pastoral assistants who will spend a great deal of time in delivering stimulating lessons to fully engage your child/young person in learning. We believe that all students who access our planned lessons on offer will have a meaningful chance to progress and achieve for their future. However, we recognise that if your children/young people are not in school to access these lessons, their chances of progressing and achieving would be significantly less when compared to their peers who are attending consistently.

We do not want any of our students to be left behind due to lack of school attendance.

I would therefore like to appeal to you, to support us by sending your child(ren) to school on every single possible opportunity. You'll be making a significant difference for your child and their future, in consistently sending them into school.

We are currently working on updating our school website and we hope that you would find it helpful. All key communications that we have with you can be found on the website, along with our monthly school newsletters to ensure that you are updated regularly. Please feel free to contact us on 01293 226940 or at bps@burstowparkschool.org.

I would like to confirm to you all that school re opens to all students tomorrow morning (Wednesday 06 Sept 2023) at 9.00am. Your child should return to school on their individual timetable as per last academic year. Please ensure that your transport company is aware.

May I also remind you to supply your child with a water bottle. Drinking water is provided.

It is both a pleasure and a privilege to lead this school as the Headteacher, and I look forward to working with you to prepare your child/young person to grow and thrive in this ever-changing world of ours. Welcome to this

2023/2024 academic year! I believe that together, we can make this an excellent school year for your child(ren) and young people at Burstow Park!

Sincerely,

MGeorge...

Mr. M George
